The fair will take place in :

Due to the unprecedented success and the large interest over the last years it is required to make reservations on time and also to pay on time. Participants can registrate via the phone, in writing or via mail. Pay attention, the registration booklet must be returned, but the reservation is only definite after reception of the registration money. **We apply the same tariffs as last year, which is € 10,00 per 1m table, inclusive electricity!!**

Foreign participants can use the IBAN number, which you can retrieve at the top of this page.
Afterwards you'll receive a confirmation.

As a directive we use the general regulation which you can consult on our site www.anolis.be.
